SOME HIGHLANDER SUPPORTERS

The Highlander Folk School, which Martin Luther King, "Man of the Year," regarded so highly for its work in giving "to the South some of its most responsible leaders," as early as 1946 was reported in the communist *People's World* to have received a \$15,000 bequest from the Julius Rosenwald Fund for use in Highlander's rural education program (Tocsin, 5/8/62). In 1954 the Ford Foundation (which set up Fund for the Republic) gave \$240,000 to Southern Regional Council. Morris B. Abram, Atlanta attorney, was one of the group appointed to spend the money.

On January 9, 1964, Morris Abram, who is President of the American Jewish Committee, urged President Johnson to establish an "Equality Corps" to advance civil rights in the United States. Abram was the first legal chief of the so-called Peace Corps. (N.Y. Times, 1/10/64). Morris Abram is the U. S. expert on the U. N. Subcommittee to Eliminate Discrimination, and on January 13, 1964 Abram proposed an international treaty outlawing segregation and "Hate groups." (Hackensack Record, 1/14/64) On January 25, 1964, Morris Abram took his U. N. subcommittee to Atlanta, Georgia, and observed Negro demonstrations. Signs were carried reading "Atlanta needs U. N. help," etc. Abram was delighted and said, "This is wonderful. This is exactly what we wanted to see." (N.Y. News, 1/26/64)

Morris Abram is a director of Field Foundation, Inc., which has sponsored workshops at the Highlander Folk School (Carolina Israelite, March-April, 1958). Other directors of the Field Foundation are Ralph Bunche, and Adlai E. Stevenson (president).

1963 sponsors include Lloyd Garrison, who said "The Red menace is a myth and communism is a bogey-man to frighten children" (Chicago Tribune, 5/18/35); Clarence Pickett, and Justine W. Polier. The last-named, Justine Polier, is the daughter of the late Rabbi S. S. Wise and the wife of Shad (Isador) Polier, who has a front record going back many years. On May 4, 1960 Aubrey Williams wrote a long typewritten letter to Mrs. Polier (reproduced in the Joint Committee report referred to above), a goodly portion of which was devoted to the subject of Eleanor Roosevelt's withdrawal from SCEF. Williams wrote to Mrs. Polier: "I now come to you for some advice. It has to do with Mrs. Roosevelt. I do not know whether you know it or not, for she said she 'hoped that it would not be necessary to make a public announcement,' but she has withdrawn from any further connection with the SCEF . . . Her withdrawal has hit me right between the eyes . . ." SCEF must have been pretty rank if it was too much for Eleanor, for she was on the Board of Directors of NAACP and besides that had connections with over 100 fronts in her own right.

The old Southern Conference for Human Welfare (which became SCEF, Inc. without any change in office or personnel) was financed by the Robert Marshall Foundation, "one of the principal sources for the money with which to finance the Communist Party's fronts generally in recent years" (House Report 1311, 3/29/44). Robert's father, Louis Marshall, along with Julius Rosenwald and Jacob Schiff, founded the American Jewish Committee (Dilling Bulletin, Aug., Sept. 1958). Julius Rosenwald's son William is the present Chairman of the National Advisory Council, American Jewish Committee. Louis Marshall's son James is at present an Honorary Vice President of the same organization. On February 15, 1964 Morris Abram was chosen President of the American Jewish Committee (N.Y. News, 2/16/64).

Civil Rights agitation and Integration pressures were started long ago by communists as a part of their program to create revolution in America. That the Negro is being used as a tool of communism and that communism is a Zionist creation to establish their long planned Jewish-controlled slave state, none can deny who has honestly weighed available evidence.

BAYARD RUSTIN

Bayard Rustin, former member of the Young Communist League, was secretary to Martin Luther King, President of the Southern Christian Leadership Conference from 1956 to 1960.

Bayard Rustin, a former communist and deputy Director of the August 28, 1963 March on Washington, organized the 1958 pacifist drive and "would have been proud to have joined them in Red Square." Rustin spent 28 months in jail during World War II, for refusing to register for the draft. His police record includes a 1953 "conviction for sex (homosexual) perversion and a subsequent arrest for vagrancy and lewdness." Bayard Rustin has also been a member of two notorious Marxist Fronts: The American Friends Service Committee and The Fellowship of Reconciliation.

Bayard Rustin not only is one of eight "impartial observers," who attended the 16th National Convention of the Communist Party, USA., but also was identified as a member of the American Forum for Socialist Education, cited as a Communist Front by a Senate Internal Security Sub-Committee, December 19, 1957 (American Legion Firing Line magazine, July 15, 1958, p. 56.)

INTERMARRIAGE HIT BY JEWS

New York (AP) — Orthodox Jewish leaders warn that "one of the gravest threats to Jewish life is intermarriage between Jews and non-Jews."

The Rabbinical Court of America, an Orthodox body formed three years ago, called on all rabbinic groups yesterday to adopt strict regulations forbidding their members to perform such marriages.

Reds train Negroes for Violence Target U.S.A.

Communist East Germany has had an American Negro agitation training center in the Saxony industrial city of Bautzen for several years. The center, masked as an "Institute for the Advancement of the Negro Race," was set up for the express purpose of "transforming the racial unrest in the U.S. into violence."

Intelligence reports that communists are training agitators who then return to their homes to "await infiltration into U.S. population centers." The trainees are brought to East Germany on "scholarships." They include Guineans, Ghanaians, Congolese, Liberians and Togolese. An estimated 12 U.S. Negroes are now at the center. Gerhard Eisler, one-time leading communist in the U.S. reportedly set up this Negro training center.

Integration

only embryo communists. Too often we hear of groups of leading business men going along the path of least resistance, moved by fear of losing their fortunes.

The leaders of the above groups know that integration will perpetuate hatred and strife, though some of their followers are entirely too naive to know it.

With mongrelization forced upon us, the White race will fade out as the light does at sunset. Today 10 percent of our population are Negroes, and they are gaining 38 percent faster than is the White race. Since most people in favor of integration are those with sinister, selfish, ulterior motives or who are naive, it behooves all patriotic Americans to expose those sinister forces behind it. Most people do not know the true drive behind integration. The truth must be made known.

Our leaders talked, and gave Pearl Harbor away. Now the same dupes are saying, "Stop testing and disarm," while the most designing enemy of all—communism—is being forced on us through integration. Will we ever again have leaders who are for America first? In the beginning the integrationist claimed that to follow Christ we must have integration—then it was God—then brotherly love—later, the moral aspect: now it is to give the Negro dignity. Evidently nothing will satisfy the communists, Jews, politicians, do-gooders until the White Christian is destroyed.

The communists and Jews know that if close association of the races can be forced, intermarriage will result. The next demand will be to strike down the laws against intermarriage and remove immigration laws to let in hordes of savage Asiatics, Africans and more Jews. Is the White man to be denied all rights?

THIS IS "BROTHERHOOD"?

For Jews to pose as wanting fair play is foolish, when we consider how they manipulated their American and British stooges in ousting the Arabs from their homeland. Negroes are killing, raping, and driving the Whites out of Africa—with the approval and, in many cases, the armed forces of the United Nations, financed by the United States taxpayer.

We had a referendum on prohibition to see if it was wanted. Why can't we have a referendum on integration to see if the people want to destroy America?

As Abraham Lincoln said on August 14, 1862 about the Negroes:

"It is better for us both, therefore, to be separated."
